Easy and intelligent connection

Simple plug-and-play USB or Bluetooth connections to computers, smartphones and tablets.

Able to pair CP900 with 3 devices simultaneously. Calls from two different devices can be merged into one, by connecting the CP900 through Bluetooth on one device, and with USB-connection on another device.

Teams smart buttons

Multiple buttons for full call-control compatibility offer a low-learning-cost experience and call effectiveness.

Deep integration with Microsoft Teams includes a dedicated Teams button, making it easier for users to achieve Teams collaboration.

Portable design

Mobile, elegant and light (320g) design, ideal for on-the-go business professionals.
